

READY FOR A SWIM?

FROM TODAY WE ARE CRUISING AGAIN!

As real waterlanders and proud 'Amsterdammers', we are eager to get back on the water. And from today we can sail and cruise again!

The sound of rippling water, the sun on your skin, a refreshing breeze... There is nothing better than enjoying Amsterdam at its best: from the water.

“There is nothing better”

Our long term shipping partners in Amsterdam have been looking forward to this day and have been working hard to make sure that they meet all safety requirements for sailing on the water. Also on the water the Dutch government sets the requirement of 1,5 meters.

A classical saloon boat is a perfect way to impress your guests during your stay in Amsterdam.

What about a chill out cocktail cruise on an open sloop! Feel a fresh breeze through your hair.

Capacity

Of course entirely depending on the type of boat and the original capacity, the maximum number of people will be determined. *Below are approximate numbers.*

- Group canal boat : 26 Persons
- Classic saloon boat : 20 – 25 Persons
- Open sloop : 10 – 12 Persons
- Pedal boat : 2 Persons

Safety precautions in the 1.5-meter society

To ensure your safety we've taken the utmost safety precautions.

- There's enough space to maintain social distancing
- Boats are cleaned thoroughly
- There's plenty of time to get in and out of the boats

We are happy to assist you with any question or new requests.

All the best from our team,
